Hi. Attached is a subset of the QFRs that are now ready for review (Q## 10, 16, 17, 18, 27 and 57). Also attached is ORD's set of answers to their QFRs. They have asked us to review their Q## 51 and 52 answers (see OPPT's comments in the attached). These are now due to OCIR on Friday. I expect we won't see the rest of the QFRs until later tonight. I will keep an eye out and if they come in I will send them around.

Okay so these are not ready for IO review. Apparently it was provided so that we could review QFR # 16 only. The rest are being worked on.
